

## Withdrawal: Carter's Original Mustard Sauce

**Immediate action is required.** Please log into Task Manager to access the product removal activity. **See attached guide for assistance in accessing and viewing the recall. The Task Manager entry is assigned to Store Managers, but any manager or lead can complete it by switching to "Store View". Please see the attached guide for instructions.**

**Date:** 6/6/16

**Banners Affected:** Winn-Dixie

**Stores Affected:**

Select Stores

### Items to be removed:

Product Name	UPC	Size	Lot Code	Expiration Date	SEG Code
Carter's Original Mustard Sauce, MILD	634294591120	Net Wt. 15 oz	30315120	10/30/17	663564

**Reason for Removal:** Product is mislabeled. Pull only the affected lot.

### Store Actions

Pull products as specified in the table above. Check in store location and all areas of the store where this product may be displayed or stored, including adjacent shelves in case product was pushed behind another product. If applicable, compare the amount of the product removed against the CGO on hand inventory to ensure you have accounted for all packages.

### PRODUCT DISPOSITION INSTRUCTIONS:

1. Pull the affected lot and place in the backroom.
2. Hold for vendor pickup. Label with the attached sign.
3. Vendor will replace withdrawn product.
